Polacy Amerykanie Wolają:
Zniszczyć Hitlerowską Os!

Każdy Polak-Amerykanin w Buffalo jest wzruszony wiadomością, że Czerwona Armia wyzwolenia zbliża się do polskich granic. To znaczy, że sprzymierzeniec, Sowiecka Unja, we walce przeciw osi jest skuteczną aliantką w niszczeniu hitlerowskiej faszystowskiej armii.

Polacy Amerykanie: — Cały świat dał podziw za wspaniałą i bohaterską walkę Polskich sił zbrojnych w Sowieckiej Unii, w Anglii, Północnej Afryce i w Kanadzie, które miażdżą faszystowską maszynę wojenną.

Polacy Amerykanie w naszym kraju są pierwsi, co stają silnie przy rządzie Stanów Zjednoczonych. Pierwsi ochotnicy w armii, tak i pierwsi chcą ugruntować zwycięstwo naszego kraju nad faszystowską maszyną. .

Prawdziwie bohaterskie walki naszych Rodaków w Polsce, którzy zostali zmuszeni do stanu niewolników pod rządami zdrajców faszystowskich, powinny nas naprawić do silnych postanowień i dać wszystko w tej wojnie przeciw osi. Najskuteczniejszą bronią przeciwko wojny to fakt, że musimy mieć największą łączność i solidarność całego amerykańskiego narodu. Ostatecznie łączności może osłabić nasze wojenne wysiłki i w ten sposób dać pomoc wrogowi.

Uwidocznieniem tego jest nie fortunny fakt, że pewni liderzy lokalni polscy na east side, zaprotestowali przeciw tak zwanemu "Defense Housing Project for Negro Defense Workers" przy Fillmore i Eagle ulicy.

Murzyni wykazali ich patrjotyzm, wielki poczucie i poświęcenie i entuzjastycznie pomagają do wygrania wojny. Z pewnością im się należy lepsze miejsce do mieszkania.

Polacy w Buffalo niechcą wpaść w pułapkę, jak to miejscowi liderzy chcą, czyli taktykę Hitlerowską, jak to w Polsce się dzieje, gdzie segregują nas Polaków od masy faszystowców. — Murzyni mają prawo wyboru zamieszkania gdzie chcą. — Miejscowi zaś liderzy niechaj popatrzą dalej w świat humanizmu, niech nie używają teorji i taktyki Hitleryzmu.

Buffalo, NY: East Side Branch of the Communist Party, [1942]. 6x9 inch handbill, printed in English one side, Polish on the other; receipt date of Feb. 1942 stamped in corner, minor foxing, otherwise very good. (#320440) $100.00
"A people who practice or believe in race discrimination against others; must suffer the same from others themselves. The Polish-Americans of Buffalo must protest against that small group of Polish residents of Buffalo who slandered both the Negro and Polish people who went to Mayor Kelly and protested against the building of the Eagle and Fillmore Street Federal Housing Project." Cites the example of Tadeusz Kościuszko in arranging with Thomas Jefferson to free slaves in 1798. Argues that "What the Polish people are suffering in Poland — national and racial discrimination — some who claim to speak in our name, here in Buffalo, want to practice against the Negro people... Let us help strengthen the National Unity of our United States by stretching out our hand of fraternity to the Negro people of Buffalo who are all united with us in the struggle to destroy Hitlerism."

MASS RALLY against IMPERIALIST WAR!

The U.S. Fleet lines up in the Pacific. Guam, Hawaii and the Philippines are heavily fortified. U.S. Marines and regular troops patrol Shanghai and other Chinese treaty ports as Japanese and American imperialist interests clash on two continents.

Hitler's march into the Rhineland, smashing Locarno, and Mussolini's fascist invasion of Ethiopia directly affect Wall street investments and "spheres of interest". It is clear ANY WAR today in ANY PART will drag AMERICA into another WORLD-WIDE SLAUGHTER unless stopped out by working class and peaceful action.

The Japanese attack upon SOVIET MONGOLIA and provocations against the SOVIET UNION endangers THE LAND of SOCIALISM, BUT JAPANESE IMPERIALISM CAN BE STOPPED! American finance capitalism can be challenged! LEARN HOW THE WORKERS OF THE WORLD AND ALL PEACE LOVING PEOPLE CAN HELP PREVENT A NEW WORLD WAR! Keep America out of war, by keeping war out of the workers!

STANÓW ZJEDNOCZONYCH

Obywatele i Obywatelki Polacy Ameryknanie!

Polaku,—ojczyzna przodków naszych, jest w grożnem niebezpieczeństwie. Całości i niepodległości Jej zagraża inwazja hitlerowska.

Pakt, zawarty z Rządem Brytańskim przez ministra spraw zagranicznych Rzeczypospolitej Polskiej, pułkownika Józefa Becka, podczas jego wizyty w Londynie, dotychczas jeszcze nie podpisany, zabezpieczeństwa tego nie uczyni. Wartość tego paktu zależy od konkretnej i szczerej akcji.

Nie możemy zapomnieć, jak rządy Chamberlaina i Daladiera, po zniszczeniu Czechosłowacji przez swój haniebny Pakt Monachijski z Hitlerem do oddania ma Sudetów, uroczyście zagwarantowały dalszą granic Czechosłowacji nietykalność, a potem, gdy Hitler znowu rzucił się na ten kraj, pozbawiony przez ich pakt obronnych najpotężniejszych środków obrony, zdradziły go pozwoliły, nie rozpoczęty nawet jakiem dla wykonania swych zobowiązań. Nie możemy zapomnieć tragicznego losu Hiszpanji, wydanej w ręce faszystowskich oprawców przez oszukańczą politykę rzekomej "nie-interwencji," która w rzeczywistości stanowiła bezpośrednią pomoc dla zdrajcy Franco i najeźdźczych band Mussoliniego i Hitlera.

Główna ostoja niepodległości i całości Polski leży w jej pełnej gotowości do obrony od inwazji hitlerowskiej i w poparciu przeciwnie demokratycznych sił świata. Jest tylko jeden rząd w Europie, który nigdy nie zdradził dawnego słowa—Rząd Rzdzieski, alko-
